Helicopter Tour. Fly over scenic Santorini!

Manufacturer: Bell
Allison 250C30P
Capacity: 6 PX + 1 Crew
Max. cruising speed:
204km/h (110 knots)
Registration number: SX-HCR
A.O.C. (GR-046)

Helicopter is permanently based in Santorini, in private helipad. The Bell 206 Longranger III with single turbine B206 will fly up to 6 passengers to almost all destinations around Greece. Fly anywhere in Greece, Italy, France, Montenegro, Albania, FYROM, Serbia, Bulgaria, Turkey & Cyprus. It is one of the best examples of a helicopter that combines safety, power, room and range offering the reliability of a powerful Allison turbine, the flexibility of a spacious cabin and the autonomy to get you directly to most domestic locations

- **Route 1: Tour of Santorini Caldera - 20 min**
Explore the most famous and beautiful island in the world with the most excited way. The tour offers breathtaking views of caldera, Oia, and Thirasia as well as the volcano island, which is a semi active crater with smoke that comes from the ground. Min.5 / Max. 6 passengers
- **Route 2: Tour of Santorini Caldera & South Coast - 30 min**
A combination of tour of Santorini Caldera and a away some flight over the colorful beaches of Santorini. This tour offers views of Caldera, Oia, Thirasia and the volcano as well as the most beautiful colorful beaches of the island. Min. 5 / Max. 6 passengers

Based in Santorini, fly anywhere day&night!

The Beechcraft Premier 1 LearJet, with uniquely spacious cabin for an aircraft in it's category. Popular due to it's performance and comfort, while remaining cost-effective.

The cabin is one of the biggest for private jet of its size (320 cubic feet), seating six or seven passengers. Fold out fully adjustable tables on both sides of the aircraft and extra wide seats ensure a very comfortable flight.
